Discussion over NZ Women’s Championships, Dan to take up with Ron (Later confirmed this event will be held)

Alan noted that there will not be an awards evening, Dan to speak to Ron Wilson about this.

Letter from North Otago and Neil Whalley regarding qualifying for NZ Champs, a very long discussion on this matter and it was finally decided to grant dispensation for Neil Whalley to play in the event. With the proviso that should citizenship not come through in time then Neil will not be able to represent NZ at World Championships.

### **General Business**

Dan bought up the Any meeting system and asked if everyone was satisfied with this, it appears most of the problem seems to come from members own equipment and the poor connections from some areas of NZ.

Dave Judd was approached by Arthur King to run Regional Open under 21’s event in all regions, this will be looked into and implemented with help from associations. Dave and Heather will work this out with the calendar.

Wayne reported on his talks with TAB and NZ Herald re media coverage, Currently getting the papers to cover Dene OKane , Mikey Stewart and Louis Chand.

Wayne also said his event finda reports had 5016 hits for NZ Seniors and under 21, Whitestone Classic 1200 and Fast Fit snooker 9286, so it shows that a large number of people are looking at our events.

This shows the benefits of putting thing on line.
