Alan reported that he was very proud of the Team and thanked all for the time put in to make the trip as good as it was. Alan spent a lot of his time in Qatar in discussion with the IBSF Board. At the AGM a lot of time was spent trying to sort out procedural matters and reports from the IBSF board. When he was not involved he watched all NZ Players when he could and then was very proud of the players, and the NZ Referees who stood out on the floor. Two of whom were selected in the Top 6 referees in the tournament. Also Cliff Hazelton, who was there as an assessor and provided expert guidance to other referees.

Board then moved into committee.

Whilst in committee the world events were discussed.

Under 21 Oceania

Loong discussion on what and how some of the event is going to be played and who would be the Manager. The team would be a NZBSA test team NOT an Academy Team.

The team will be Louis Chand, Mikey Stewart, Mario Hildred, Pravil Kant and Jamish Kant with Cody Turner as a non traveling reserve.

Agnes Kimura was selected as Manager with an assistant to be advised.

General Business

Dan bought up that we had tried to get the NZBSA ranking rules upgraded and this has not happened for a number of reasons. Dan asked both Heather Bond and Jason Todd if they could collaborate on this matter and see what they can do. Both agreed to do this.

Heather reported that during the worlds the NZBSA Web Site went down due to so many hits on the site. Heather got hold of the administrator and we then got extra bandwidth to cope.

Alan reported that the records from our website are being transferred over to the new Web Site, Everyone will get a look at the new site prior to it going live.

Discussion on Calendar – Dave Judd reported that all is being done and will hopefully be completed by the middle of January.
